

Best Doctors, Inc. Selects Margulies Perruzzi Architects for Office Feasibility Services

BOSTON, Mass. – July 29, 2010 – Margulies Perruzzi Architects, one of Boston’s most innovative architectural and interior design firms, today announced that it has been selected to provide programming and feasibility analyses for a series of potential new locations in Boston for Best Doctors, Inc., a provider of employee health benefits that helps members get the right medical care. Founded in 1989 by two Harvard Medical School professors, Best Doctors serves more than 260 insurers, employers and health plans, touching over 15 million people in 30 countries.

Relocating its corporate headquarters from One Boston Place, Best Doctors required larger space to accommodate the company’s current and long-term growth. Margulies Perruzzi Architects was selected to help Best Doctors explore its real estate options in Boston, and provided advice, strategic planning, and extensive analysis of potential sites. Margulies Perruzzi Architects conducted several test fits to compare building efficiencies in spaces of approximately 50,000 square feet.

Margulies Perruzzi Architects will also provide interior design services for the selected location.

About Margulies Perruzzi Architects

Consistently ranked as one of Boston’s top architectural and interior design firms, Margulies Perruzzi Architects creates buildings and corporate interiors for clients who value design. The firm services the corporate, professional services, healthcare, research/lab, and real estate communities with a focus on sustainable design. Clients include Manulife/John Hancock, Nuvera Fuel Cells, Covidien, Partners Healthcare, Massachusetts General Hospital, Hobbs Brook Management and Forrester Research.
