AutoLiv Adding 60,000 SF to Lowell Plant

Posted January 11, 2012

BOSTON - Next month, **Autoliv Inc.** will unveil a **60,000-square-foot** expansion of its Lowell, Mass., operation, including ground-floor space for vehicle testing.

Margulies Perruzzi Architects of Boston has designed the expansion for 1001 Pawtucket Blvd., where Autoliv is adding 30,000 square feet of office space and 30,000 square feet of production, engineering and testing space.

AutoLiv has been operating in **20,000 square feet** in the building, owned by Winstanley Enterprises. Autoliv develops radar technology and driver assistance features, including Blind Spot Detection and Forward Collision Warning, at its Lowell plant.
