Women to Watch

Margulies & Associates has promoted **Kimberly Smith, AIA**, to the position of associate. She is currently working on the 175 Wyman Street, Waltham, office building campus designed to meet LEED Silver requirements for Hobbs Brooks Management.

Awards

Anne Margulies, along with her husband Marc, has received the Massachusetts Housing and Shelter Alliance Bob Ray Partnership Award. The annual award honors their commitment to ending homelessness. She is assistant secretary for technology and chief information officer of the Commonwealth of Massachusetts. They both serve on the board of directors of Shelter Inc.
