## People and Firms

**Bill Holland AIA, LEED AP (7) of Margulies Perruzzi Architects** wrote an article on LEED for existing buildings for the online edition of *Sustainable Facility*; he focused on ways facility managers can share the facilities-management burden among various corporate departments.

**Margulies Perruzzi Architects** completed the design of Walden Media's 5,000-sf office in Burlington and the design and construction of Aberdeen Group's Boston office.

**Fame**
