

## Latto Selected as Judge for Chandler Awards for Design

*Annual competition recognizes strong commercial design*

**BOSTON, Mass., June 5, 2006** – Margulies & Associates, one of Boston’s most innovative architectural and interior design firms, announced today that Project Manager Jennifer Latto, NCIDQ has been named a judge in the prestigious Chandler Awards for Design sponsored by Patcraft Commercial Carpet.

Presented at NeoCon World’s Trade Fair in Chicago this June, the Chandler Awards is an annual competition to engender strong commercial design and acknowledge design excellence using Patcraft Commercial Carpets. The competition’s name recognizes the Chandler family’s founding of the company more than a half-century ago. Based in Dalton, Georgia, Patcraft Commercial Carpet manufactures carpet for the corporate, retail, healthcare, educational and tenant markets.

“Although the competition is sponsored by a carpet manufacturer, during the judging process, we’ll be analyzing the submissions for the overall design of each space. Attention to detail is key; not necessarily the most expensive, but the most appropriate and original application,” said Jennifer Latto, NCIDQ, project manager at Margulies & Associates.
